**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND  
DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORT**

On March 14, 2018 (the "Petition Date"), iHeartMedia, Inc. and certain of its affiliated debtors, as debtors and debtors in possession (collectively, the "Debtors"), each commenced with the United States Bankruptcy Court for the Southern District of Texas (the "Court") a voluntary case under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code"). The Debtors are authorized to continue operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On March 15, 2018, the Bankruptcy Court entered an order authorizing the joint administration of these cases pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. On March 21, 2018, the United States Trustee for Region 7 (the "U.S. Trustee") appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code.

1. **General Methodology:** The Debtors are filing this monthly operating report (the "MOR") solely for purposes of complying with the monthly operating requirements applicable in the Debtors' chapter 11 cases. The financial information contained herein is unaudited, limited in scope, and as such, has not been subject to procedures that would typically be applied to financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future. There can be no assurance that such information is complete, and the MOR may be subject to revision. The following notes, statements, and limitations should be referred to, and referenced in connection with, any review of the MOR.
2. **Basis of Presentation:** For financial reporting purposes, the Debtors prepare consolidated financial statements, which include information for iHeartMedia, Inc., and its Debtor and non-Debtors subsidiaries. This MOR only contains financial information of the Debtors. For the purposes of MOR reporting, the accompanying Balance Sheets and Statement of Income (Loss) of the Debtors have been prepared on a condensed combined basis. This basis of presentation is consistent with footnotes and related disclosures contained within the Form 10-Q filed by iHeartMedia, Inc. for the quarterly periods ended March 31, 2018, June 30, 2018 and September 30, 2018 and Form 10-K for the fiscal year ended December 31, 2018 which was filed on March 5, 2019. The Debtors are maintaining their books and records in accordance with U.S. GAAP and the information furnished in this MOR uses the Debtors' normal accrual method of accounting. In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Nevertheless, in preparing this MOR, the Debtors made reasonable efforts to supplement the information set forth in their books and records with additional information concerning transactions that may not have been identified therein. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update this MOR.
3. **Reporting Period:** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.

**GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND  
DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORT**

4. **Accuracy:** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.
5. **Payment of Prepetition Claims Pursuant to First Day Orders:** On March 15, 2018 and April 12, 2018, the Bankruptcy Court entered orders (the "First Day Orders" and "Final First Day Orders", respectively) authorizing, but not directing, the Debtors to, among other things, pay certain prepetition (a) liabilities related to use of the Debtors' cash collateral, and continued use of their cash management system, (b) obligations payable to talent, station affiliates, royalties, and copyrights (c) insurance obligations, (d) employee wages, salaries, and related items, (e) obligations relating to existing customer obligations, and (f) taxes and assessments. If any payments were made on account of such claims following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in this MOR unless otherwise noted.
6. **Liabilities Subject to Compromise ("LSTC"):** LSTC represents the Debtors' estimate of pre-petition claims to be resolved in connection with the chapter 11 cases. As a result of the chapter 11 filings, the payment of pre-petition liabilities are subject to compromise or other treatment under a plan of reorganization. The determination of how liabilities will ultimately be settled or treated cannot be made until the Bankruptcy Court approves a chapter 11 plan or reorganization. Accordingly, the ultimate amount of such liabilities is not determinable at this time. Pre-petition liabilities that are subject to compromise under ASC 852 are preliminary and may be subject to, among other things, future adjustments depending on Court actions, further developments with respect to disputed claims, determinations of the secured status of certain claims, the values of any collateral securing such claims, rejection of executory contracts, continued reconciliation or other events. On May 17, 2018, the Court entered an order setting June 29, 2018 as the deadline for the filing of proofs of claim against the Debtors for non-governmental entities.
7. **Reorganization Items:** ASC 852 requires expenses and income directly associated with the chapter 11 filings to be reported separately in the income statement as reorganization items. Reorganization items primarily include write-off of certain original issue discount and fees relating to debt obligations classified as LSTC, expenses related to legal advisory and representation services, other professional consulting and advisory services, and changes in liabilities subject to compromise recognized as there are changes in amounts expected to be allowed as claims. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 proceedings, including, but not limited to, matters involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of chapter 3 of Title 11 of the Bankruptcy Code and/or causes of action under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.
8. **Cash and Cash Equivalents:** Consistent with the Debtors historical reporting practices and U.S. GAAP, any cash balances considered restricted are reflected in the Balance Sheets as a component of Other current assets or Other assets based on when those restrictions are expected to lapse. As such, the reconciliation of cash receipts and disbursements on MOR-7 includes adjustments for any cash balances moving to and from these restricted accounts.

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND  
DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORT

9. **Intercompany Transactions and Balance:** Prior to the Petition Date (and subsequent to the Petition Date but only pursuant to Bankruptcy Court approval), the Debtors routinely engaged (and continue to engage) in intercompany transactions with both Debtor and non-Debtor affiliates. Intercompany transactions among the Debtors have been eliminated in the financial statements contained herein. Intercompany transactions among the Debtors and the Non-Filing Entities are presented on a net balance basis.
10. **Investments in Subsidiaries:** The book basis for investments in subsidiaries have not historically been maintained by the Debtors in the general ledgers at a legal entity level and these values are not representative of the fair value or net assets of non-Debtor affiliates. As such, these balances are reflected in the Balance Sheets as a component of Equity.
11. **Insiders:** For purposes of this MOR, the Debtors defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors; (b) officers; (c) persons in control of the Debtors; (d) relatives of the Debtors' directors, officers, or persons in control of the Debtors; and (e) Debtor and non-Debtor affiliates of the foregoing. Moreover, the Debtors do not take a position with respect to: (a) any insider's influence over the control of the Debtors; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtors or any such insider could successfully argue that he or she is not an "insider" under applicable law, with respect to any theories of liability, or for any other purpose.
12. **Reservation of Rights:** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate, but shall be under no obligation to do so. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.

(1) In July 2018, the FASB issued ASU 2018-11, Leases (Topic 842), which was adopted by the Company effective January 1, 2019. As a result of adoption, the Company recorded the fair value of its lease commitments as a Right of Use asset with the offsetting liability primarily charged to Liabilities Subject to Compromise for the leases that were in place as of the petition date. Further, a reduction in Total other Long-term Liabilities was also recorded in January 2019 as a result of the write-off of non-cash deferred gains associated with certain leases.

- (1) Beginning December 2018, balance includes deferred purchase considerations related to two court approved business acquisitions expected to be paid within one year.
- (2) In July 2018, the FASB issued ASU 2018-11, Leases (Topic 842), which was adopted by the Company effective January 1, 2019. As a result of adoption, the Company recorded the fair value of its lease commitments as a Right of Use asset with the offsetting liability primarily charged to Liabilities Subject to Compromise for the leases that were in place as of the petition date. Further, a reduction in Total other Long-term Liabilities was also recorded in January 2019 as a result of the write-off of non-cash deferred gains associated with certain leases.

**Notes:**

(1) The period ending: "30-APR-18" includes the Post-Petition activity from March 15, 2018 through April 30, 2018.

(2) Figures on MOR-7 may not foot due to rounding.

(3) October 2018 and December 2018 includes approximately \$36.2 million and \$38.0 million of cash purchase consideration, respectively, related to two recent court approved business acquisitions.

(4) On June 14, 2018, the Debtors refinanced the existing ABL credit facility with TPG (the "TPG Facility"). As part of the refinancing process, the Debtors repaid the TPG Facility in full, partially through the use of ~\$269 million of cash on-hand. The balance of the repayment of the TPG Facility was sourced via funding provided under the Debtor's replacement ABL credit facility with Citibank. Subsequently, the Debtors paid down \$100mm of the ABL balance on August 16, 2018 and \$25mm on September 17, 2018 as cash permitted.

(5) ABL draw represents the balance that was transferred from Citibank to Debtor bank accounts net of bank and professional fees associated with the refinance.

(6) As described more fully in the Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and Maintain Existing Bank Accounts and (B) Continue to Perform Intercompany Transactions and (III) Granting Related Relief [Docket No. 14] (the "Cash Management Motion"), the Debtors engage in a range of intercompany transactions in the ordinary course of business. Pursuant to the order granting the relief requested in the Cash Management Motion [Docket No. 454] (the "Cash Management Order"), the Bankruptcy Court has granted the Debtors authority to continue the intercompany transactions in the ordinary course of business.
